EXPERIENCES

Digital Design Intern

Jun 2025 – Aug 2025

Jenevive Health
Seattle, WA

- Redesigned and formatted a 25+ page educational e-book in Adobe InDesign, enhancing clarity, accessibility, and visual hierarchy
- Designed 12 branded Instagram carousel templates for "Papaya for HS" Q&A content, ensuring consistent visual identity and shareable layouts
- Conducted UX research and produced low-fidelity wireframes to support new gamification features for the Papaya app

Private Design Tutor

Dec 2024 – May 2025

Self-Employed
Seattle, WA

- Delivered individualized tutoring in graphic design, UI/UX, and web development for 8+ students, tailoring lessons to varied skill levels
- Created and taught a structured curriculum in HTML, CSS, Adobe Creative Suite, and design principles
- Guided students through portfolio development, leading to stronger project presentation and professional-quality work
- Strengthened student technical proficiency and design confidence through hands-on projects and personalized feedback

EDUCATION
